

DIRECTIONS TO CASA MULDER

There is only one road from the airport; it will take you to the main highway #307. As you are leaving the airport bear to your right and take the exit that says Playa del Carmen and Chetumal (do not head to Cancun.)

15 or 20 minutes south at the first traffic light go left onto the main road into Puerto Morelos.

Take the first left as you come into town onto our street, Av. Niños Heroes. Go about 4 blocks down. Look on the right In the block after the large vacant lot for the 4th house from the corner.

Our Main Office Is located at Abbey del Sol Too 4 blocks farther down the street on the left and Abbey del Sol One where Jin, our manager lives, is 4 doors farther down the street on the right side. You may stop in at the office and check in or go directly to Casa Mulder. We will leave the door unlocked and the lights on.

If no one happens to be at the office use the phone hand set that should be sitting on the counter next to the sign with Jin and Freddy's cell phone numbers on it. Call Jin or Freddy, they should be somewhere nearby (if the phone isn't sitting there turn to the large desk on your right and it should be in the phone base on top of the desk. Be sure to use the phone that says Mexico.)

To call Jin's cell phone from a US or Canadian phone dial 044-998-115-2244. Don't put in an access or country code.

To see more of the town you can take the second left as you come into town onto Av. Rojo Gomez, the main boulevard. You will see the main square on your right and the main town dock is straight ahead toward the beach. As you drive down Rojo Gomez you can cut over to our street, Av. Niños Heroes, right after the vacant lot on the left. Turn right to our properties.

Welcome to our town and Abbey del Sol!
